### Current Shelter Needs

The mission of YCC Family Crisis Center is to support individuals and families impacted by domestic and sexual violence through safety, advocacy, and resources on their journey to safe and healthy lives. Our programs support and enhance the quality of life for all individuals and families by providing advocacy and education as clients find hope on the road to self-sufficiency. Our 62-bed crisis shelter provides a homelike environment to people who must flee their residence due to domestic violence. Each person is provided emergency shelter, bedding, food, clothing, hygiene supplies, and all other basic necessities along with case management support groups, and ongoing advocacy. YCC services extend into supportive housing assistance, transitional housing, advocacy and case management for clients in our community, a sexual assault program, as well as our on-site child care center. These vital programs would not be possible without the generous support of our community. Thank you for your support.

Donations of **NEW, UNUSED items only** are accepted at the front entrance of YCC Family Crisis Center located at 2261 Adams Avenue, Ogden, Monday – Friday from 8 a.m. to 5 p.m.
